

Intasure Insurance Brokers – Proactive Insurance People

Commercial - Personal - Marine - Life

ABOUT US

First established in 1980, RC Green & Co, now Intasure Insurance Brokers has since evolved into one of the most reputable independent brokerages, boasting over 45 years of dedicated service to its loyal clients.

Our mission is to provide peace of mind through innovative and flexible Insurance Solutions for Individuals and Businesses. We prioritise integrity and fairness, believing in earning trust through openness and honesty. We are large enough to have significant influence where needed, yet small enough to provide personalised attention to the unique risks our clients face. By proactively managing these risks, we offer comprehensive, structured solutions based on up-to-date industry knowledge, ensuring that our clients personal and professional assets are well protected.

At Intasure, we define ourselves by referring to Our Purpose, Our Vision, and Our Values:

VISION

We will maximise the potential of our company, our staff, our knowledge, and our systems by providing proactive insurance solutions, benefiting from strategic partnerships, and establishing a reputable brand within our industry. Intasure offers a wide range of traditional and unique insurance types across various industries. This includes, Commercial and Domestic Short Term Insurance, holistic Financial Planning, and Specialised Marine and Liability Cover.

VALUES

- **Trust:** Building and maintaining trust with our clients.
- **Respect:** Treating all clients, employees, and partners, with respect
- **Integrity:** Acting ethically and with honesty
- **Client Focus:** Prioritizing the needs and interests of our clients
- **Confidentiality:** Protecting client information and maintaining privacy
- **Relationships:** Establishing and maintaining long term relationships
- **Professionalism:** Maintaining high levels of compliance and ethics
- **Credibility:** Delivering and keeping our promises

PURPOSE

Create peace of mind in our Clients lives regarding all their Insurance needs.
